### Who Are We?

An organization formed in 1972 with over 3,000 Comanche owners, pilots and others who love these aircraft; both singles and twins.

### Where Are We?

In many countries on the six continents of the world: Africa, Asia, Australia, Europe, United Kingdom, South America and North America.

### What Do We Do?

We exchange information and experiences about our airplanes, we make friends and we have fun! We also help members with their technical needs including parts, publications and member's maintenance tips.

### What Do You Get? Lots!

3. Opportunities to attend Fly-Ins and our annual convention. These are both social and educational. A great way to make new friends.
4. Membership card and certificate that you will be proud to frame and display in your home or office.
